

ACCESSING YOUR DIGITAL MEMBERSHIP CARD!

Thank you for your membership to Jenkins Arboretum & Gardens!

To access your digital membership card, or eCard, you will need:

1. Your Membership ID #
2. Your Last Name

Member households with more than one last name will have one last name set as the primary on record. It is this primary last name that you will need to use. Your shared eCard can be accessed from and downloaded to multiple devices.

You should have received a mailed letter about our revised membership program that included your Member ID and Last Name. If you have any questions, or if you lost that form, please email:

membership@jenkinsarboretum.org

You can access your eCard in two ways: by direct download to your native wallet or through the eMembership Card app.
